7. Reports:
- (a) **General Manager re: review of contractual matters; water system maintenance and status; status of capital improvement projects; rates and finances; customer relations; employee matters; special projects; equipment, materials, and vehicles; administrative matters; and, recommendations for water system improvements:** General Manager Young updated the board on a few items: He updated the board on the Chlorine leak that we experienced. Very little chlorine was lost, and we are replacing some equipment that was damaged by the chlorine. He was thankful for the ICVFD for getting to the scene and handling the situation in a very professional matter. The 5000 Gallon Ground storage tank has been refinished and the water is being tested and when we receive our samples back it will be put back in service. We did not receive any major damage during the freezing rain. Most of the electronic equipment had to be reset because of the power being down longer than our battery back-ups lasted. Ronny stated that he is working on a contract amendment with AT&T mobility and is trying to ensure that they have better service before agreeing.
- (b) **Investment Officer re: Quarterly Financial Report. (Apr., Jul., Oct., Jan.):** None
